We (Hope unit) just drove by location to take pictures. The first two are after yesterday's cleanup. The last two are from today.

Hi Albert,

Please notify your resident that LASAN does not remove individuals from encampments, we merely POST to clean the area and 95% of the time the individuals go right back. We can have LAHSA and the HOPE team go speak to them but please note there is a shortage of beds in the city at this time. Please submit photos if you would like this location processed and placed on the clean up schedule.

Much Appreciated,

Renée
